To Whom It May Concern:

My name is Sandra Rennert and I am the Administrative Assistant at the Pioneer Fire Protection District and I have been here since August 2006. I received an email today from Board Member Don Ramos that made me very upset. It stated:

“It is now the morning of the Board meeting and I still have not received notice that my Board packet is ready. Your action was not only predictable, it is juvenile and unprofessional. I will not be at the meeting tonight.... I will discuss this incident at the January meeting.” Signed Don Ramos.

He also sent this email to Chief Robert Gill, Gretchen Fretter, Lulu Silva-Manuel, Russ Sime, and Brian Bendix. There is no reason for anyone to have received this email, except my boss. Personnel matters are required to be confidential.

He has been a director in the past and is aware that the agenda packets are ready the Thursday before the meeting before I go home. I did place an agenda in his box and it was taken so I assume it was taken by him.

I work hard to do a good job for the district and take this very personal and find this disrespectful. Therefore, I am requesting the Board talk to Director Ramos and make arrangements so we will not be at the station alone in the future.

Thank you,

Sandra Rennert
