**Re: Regionalization of El Dorado County Fire Districts**

Dear Fire Chiefs:

The intent of this communication is to convey the position that the El Dorado Hills Fire Department Chiefs and Board of Directors have taken regarding the feasibility of regionalization of El Dorado County Fire Districts.

We believe that a large scale merging of services would be too complex in nature and create operational challenges that would not be in the best interest of the community of El Dorado Hills at this time. We are, however, open to proposals from neighboring Districts and will review them on a case-by-case basis for mutual benefit.

If you have any questions or would like to discuss further, please contact Chief Jim O'Camb at (916) 933-6623.

Sincerely,

EL DORADO HILLS FIRE DEPARTMENT

Greg F. Durante, President  
Board of Directors

Jim O'Camb, Interim Fire Chief  
El Dorado Hills Fire Department
